# Hello Pasco!

The Pasco Recreation Division is committed to providing quality and enriching experiences to all our residents. Our fantastic team of dedicated staff is excited to begin another new year with a host of great programs and activities for the community. This is an especially important year as we celebrate the 40th anniversary of the Lampson Cable Bridge run! We have great prizes for winners and participants, and as always, it is a great event in the Tri Cities. Additionally, take some time to enjoy numerous activities for the kids including soccer, softball, and baseball, but also be sure to check out Kids Capoeira, a new martial arts program this year. For teens, our after school program will continue to be offered, along with lifeguard training, and our ever-popular Tae Kwon Do program. Adult pickleball, basketball, and volleyball are offered, among many other great choices including many returning dance classes and an exciting new program, Adult/Teen Ballet.

We appreciate all of the community's support and participation in our fine programs and events; our mission is to provide quality recreational opportunities and we couldn't be happier to work for all of you. I hope you are all as excited as we are for the winter and we at Pasco Recreation invite everyone to come out and enjoy everything we have to offer!

If you have any ideas on new programs or improvements, please do not hesitate to let us know.
